

# Be the centre of attention

Everything for your special day from dresses to those final touches

## Dress to impress

BOA Boutique showcases excitingly diverse styles of gown from slim vintage silhouettes to romantic classic silks, Spanish ruffles and French lace. All gowns are by special order and may be customised for that unique look. For our mother of the bride and special occasion clients, our rich collection of day to evening wear offers couture, demi couture, and prêt-à-porter.

## Elegantly crafted

The award-winning British contemporary designer Diana Porter's work is characterised by simple, organic shapes that are beautifully handcrafted, special and unique. She also works to commission, designing one off pieces, does inscriptions and re-works clients' existing pieces. All jewellery is made in our Bristol workshop you can feel confident purchasing or commissioning your special piece.

## A very decent proposal

As euphoria following the romantic proposal turns to disgraceful girlishness about the frock (quite right too!), we paraphrase the inimitable Coco Chanel - elegance is more than a new dress. Disgraceful Grace offers bridal jewellery designs that will instantly transform a beautiful lady wearing a fine dress into a radiant bride in her wedding gown!
